AN INTERESTING ITEM FROM PACKET...

Pactor and C64

Gidday All,

Some time ago I advised that there might be a Software Upgrade to ,QBF, to allow the Pactor mode to be used with the C64.

Well,I have just been advised by a fellow Amateur in Germany that the Author of ,QBF, has started on this already and hopes to have a working version ready in about 2 months time.......

Lets say about September/November.

Anyhow as soon as I get more info from the Author I will place a bulletin for all to read.

Dont throw the ol C64 away yet!!

73s..Don..VK2DW @VK2DW.NSW.AUS.OC

THANKS TO CLEM VK6CW FOR THAT ITEM
